There is a small, but important, detail that is often overlooked in the literature. While the above discussion focuses on the  $2D$  case, the same principles apply to higher dimensions. The key is to ensure that the boundary conditions are correctly specified for the entire boundary of the domain, not just a subset. This is particularly important in the context of the  $3D$  case, where the boundary is a surface rather than a curve. The same reasoning applies to the  $4D$  case, where the boundary is a volume rather than a surface. The generalization to higher dimensions is straightforward, but it requires careful attention to the details of the boundary conditions and the underlying geometry of the domain.

Gentlemen:

The above land was homesteaded by Mr. Albert

## Memorandum:-

With reference to the letter, hereunder, of the 11th instant, from Mr. Oliver, M.P., enclosing a letter addressed to him on the 1st of the same month by Mr. C. Cross, Barrister, Edmonton, asking that Mr. Beck, Public Administrator, who is administrator of the estate of a deceased Half-Breed, be permitted to locate such scrip in the Regina Agency without his personal attendance there, in which case it is suggested that Mr. Beck could appear before the Agent of Dominion Lands at Edmonton and sign the necessary papers, I have to state that we have had prior a number of cases where the scrip was located by the administrator, and it has been the invariable practice of the Department to require in all such cases the Administrator to comply with the regulations as to the location of scrip issued in the Half-Breed's own name.

Files enclosed herewith are attached in support of the request in favour of Mr. C.B. Beck, Public Administrator, of Edmonton, requesting an Administrator in three different cases are also given herewith.

All similar requests have been refused in the past, including one which was made by Mr. W.J. Johnson, on file 73243, which was dealt with by Mr. Barriff.

If it is proposed to accede to Mr. Cross' request which is recommended by Mr. Oliver, it will be necessary in my opinion to submit the matter to the Minister for his decision.

It is not possible to find a  $\delta$  such that  $\delta \leq \delta_0$  and  $\delta \leq \delta_1$ . Therefore, the statement of the lemma is false.  $\square$

COMMISSIONER.

W. D. Scott, Esq.,

Supt. of Immigration,

Dept. of the Interior,

Ottawa, Canada.

My dear Sir:-

There are two other homesteads taken up by members of the Waight family in Alberta, for which I apply for an extension of time until next May for the owners to enter into residence upon. One of these homesteads was taken up by Mr. Roland P. Waight and the other one by his son Mr. Roy S. Waight, now of Stirling, Arenac Co., Michigan.

The description of the homestead belonging to Mr. Roland P. Waight is the northwest quarter of section 30, township 46, range 14, west of the 4th Meridian, and that of Mr. Roy S. Waight is the northeast quarter of section 30, township 46, range 14, west of the 4th Meridian.

Mr. Roland P. Waight was the prime mover in inducing the other members of his family and the Waldies and all their friends to go out and take up homesteads in Alberta. He is a gentleman of fine experience and well known as a reliable and prosperous farmer in his section of Michigan and around Waukegan and other places where the settlers. He is interested in the work, and is further by work in the parts of Michigan mentioned. It is necessary that his request for an extension of time in favor of himself and son be granted. The same reason which influenced you to grant extensions of time for Mr. Arthur Waight and Mr. Thomas Waldie apply to the present cases,

Dear Sirs

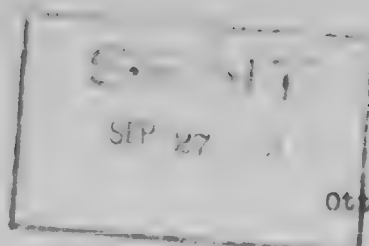

I have made application for pension under the old age Security Act. and am having difficulty proving age as I have no Birth Certificate or anything only proof of age by insurance Co which evidently is not acceptable as it is ~~at~~ 30 years since I got it. and the only item on list of suggested proofs of age is Homestead Entry No 11 in which it states it may be possible to obtain a statement as to age at time of making homestead entry by writing you giving description of property filed on, which was South-East quarter of section 22 township 50 Range 7 - west 4 meridian S. E. 1/4. 22-50-7 west 4 filed on in 1906. Sir,

I beg to advise you that on the 5th instant half-breed scrip No. A8435 was located on the N.E. 1/4 of Section 10--11--29 W. 4th M. by Louis Cobell heir of Rose Cobell, deceased.

I do not think agent

location of the note A-43  
as it was covered under  
B-1 is very good and  
Endreid as having been  
issued under that name.  
It was however sent to  
Xerox to tell himself.

The file was sent to Birmingham

## Department of the Interior.

DOMINION LANDS OFFICE,

Lethbridge, Alta., 28th August, 1905.

1905

Sir,

Adverting to your letter of the 16th instant, Ref. 970,21, which I hasten to reply to, I beg to say that the only explanation which I can offer for accepting Scrip Note No. A 8435 is that there was not an endorsement on the back of same as mentioned in your circular of the 10th of March, 1905. From the circular mentioned it would appear that the only scrip in question is scrip which bears the endorsement mentioned and particular care has been exercised to see that none of this class has been accepted. When your telegram was received it was interpreted to mean only the scrip so endorsed, it being understood here that all of the scrip issued under the Order-in-Council of the 13th of August, 1904, did not bear the endorsement mentioned. Your letter now acknowledged also refers to an endorsement which goes to show that it was only endorsed scrip which should not be accepted.

It is noticed that you state the scrip note in question was endorsed as per circular letter and in this connection I might state that I am positive the note mentioned was not endorsed on the back of same, in red ink, when it passed through this office. I cannot see how an endorsement of this kind could be overlooked nor do I understand why the holder of same would bring a gentleman to the office to identify the grantee, if the scrip was endorsed to allow the holder of same to locate it personally. If I remember correctly the identification was made by Mr. George

Houk,

26  
Etc etc

Department of the Interior,

DOMINION LANDS OFFICE,

1900

Houk, of Iathbrid, p.

I might also say that I did not pay any particular care as to that Order-in-Council the said scrip was issued under as it appeared to be in order and I was only particular to see that the endorsement was not on the back of it.

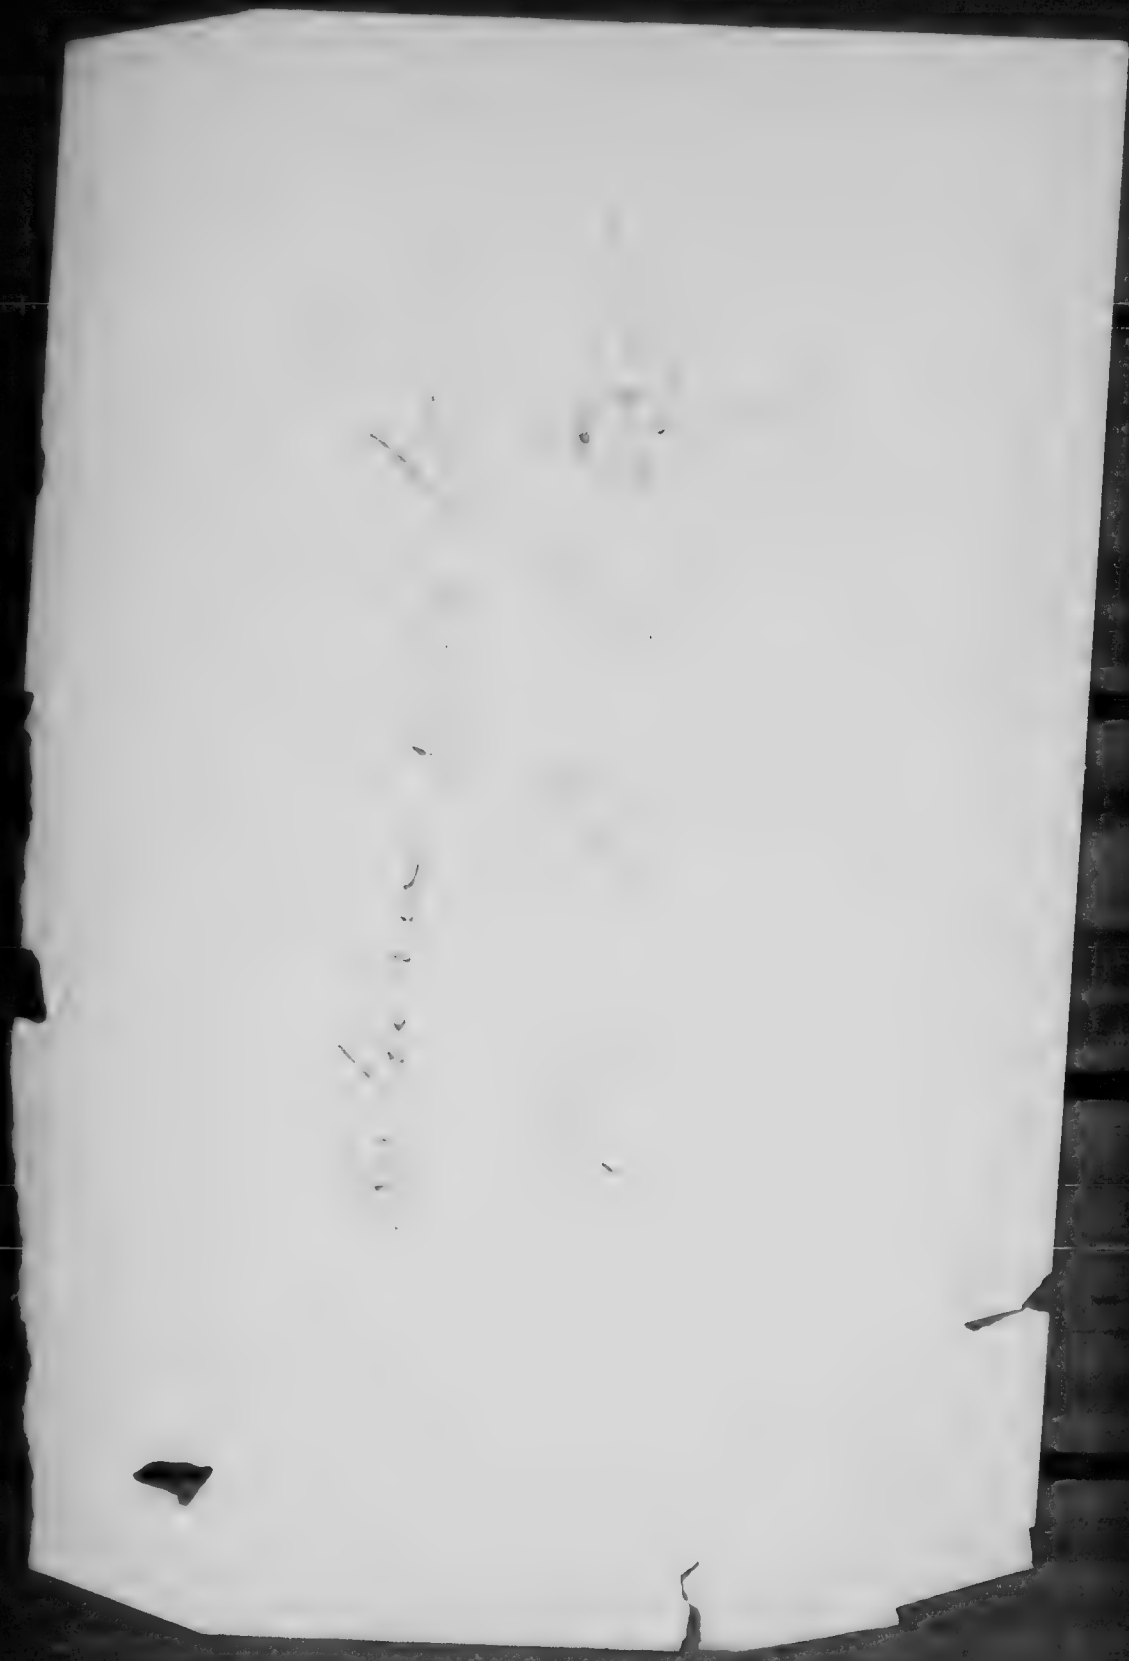

It appears now that our instructions were to cover all scrip issued under the Order-in-Council mentioned, whether endorsed or not, although the circular letter and our telegram, which refers to the circular, with your communication of the 14th, appear to deal with the endorsed scrip only.

With regard to ignoring your instructions I have to say that, if they were ignored, it was not done intentionally and I am sure that if you will refer to the correspondence you will see that it particularly refers to endorsed scrip. I was perfectly satisfied that my interpretation of the instructions given was correct and am still of this opinion.

Please advise if all scrip issued under Order-in-Council of 18th August, 1904, whether endorsed or not, is to be refused in the meantime. Am sorry that such a mistake should occur and trust that it may be straightened out satisfactorily, although I feel that the instructions bear me out in this matter.

Your obedient servant,  
The Secretary,  
Dept. of Interior,  
Ottawa.

TO THE DEPUTY  
COMMISSIONER OF THE LANDS  
OTTAWA.

Department of the Interior

16th October, 1905.

Circular.

Sir,

With reference to the circular of 10th March last, relating to the location of scrip granted to Half-Breed residents of the United States under the Order in Council of the 13th August, 1904, without requiring the grantee to appear personally at the Land Agency to make his entry, and to the telegram of the 19th June last, which reads as follows:-

"Do not accept until further notice any application for location of scrip issued under Order in Council Thirteenth August last, referred to in circular letter, dated 10th March last, as an investigation into certain charges, which have been made with regard to scrip orders, is about to be held. Instruct your Sub-Agents accordingly at once."

I am directed to inform you that the intention of that telegram was to stop the location of all the scrip issued under the authority of the Order in Council of the 13th August, 1904, whether endorsed or not.

In order to enable you to identify this scrip, a list is attached hereto, giving the numbers of all the scrip notes, which have been issued under the Order in Council referred to, applications for the location of which are not to be accepted until further instructions have been issued.

Your obedient servant,

To all Agents and Sub-Agents

Dominion Lands in Manitoba

and the North-West Territories.

Secret

Ottawa, 29th October, 1904.

Memorandum:-

With reference to your memorandum, enclosed on the proposed circular letter of the 14th instant, I have to say that as the scrip, referred to in the correspondence and Mr. Curran's memorandum to you of the 6th instant, was not entered in Council as issued under the Order in Council of the 13th August, 1904, and that the same was delivered to the trustee himself, it was not afterwards located, and also in view of Judge Myers' report, and as since Mr. Curran's memorandum was prepared and received in the Department, I do not think that the proposed circular letter to the Agents of Dominion Lands should be sent.

I am also of the opinion that scrip, such as the one in question, which was not entered in Council, was delivered to the trustee himself and afterwards located by him, should not be interfered with by the Department, but should be left until the Minister's pleasure for its ruling.

It also appears however, before any action is taken on Judge Myers' report that such report should be submitted to His Excellency in Council.

Respectfully submitted,

W.W. Cor., Esq.,

Deputy Minister of the Interior.

MEMORANDUM:

The Agent of Section 1, 10, 18 at Huronston asks if he may want a certain entry to Mr. Adrien Foisy for the North West quarter of section 21, Town 14, Range 11 West 1st Meridian.

Mr. Foisy states in his statement that he was called by the Surveyor in September last that he had sold the land to the Surveyor in July last and that he had the ropes of the line. It is to be noted that the land was sold to the Surveyor and not to the Government. He states, however, that the material ready for building the road is at hand.

The land is for the use of the Canadian Pacific Railway Company, as shown on the map.

Honorable Sir,

I wish to apply for permission to purchase, under the irrigation act, the N.W. 1/4 of sec. 34. 13 1/2 West of the 5th meridian. I applied to the Dept. of the Interior last fall for permission to purchase 1/4 of sec. 21-14-1 West of the 5th meridian, adjoining my homestead, but have not yet received a reply to my request. I must say that it is absolutely necessary for me to secure these lands for my ranching business. I came in here sixteen years ago, when the country was a wilderness and consider it very unfair that I should be crowded off by having the land leased to outsiders. Trusting that you will give an early and favorable reply,

I remain

Yours faithfully,

(smd.) Malcolm McPherson

MEMORANDUM:-

With reference to your memorandum of the 2nd instant, to Mr. Woodve, who is now absent on his annual holiday, respecting Mr. Malcolm McErmid's letter, dated Willows, Alta, 27th ultimo, in which he complains that he received no answer to his application to purchase, under the Irrigation System, 1/4 of Section 21, Township 14, Range 1, West 5th Meridian, I beg to say that his application was received in the Department in January last, under cover of a letter from the Agent of Dominion Lands at Calgary, and that the latter was advised that, as it appears that Mr. McErmid had made an application to purchase other lands under the Irrigation System, he had been asked to furnish the Department with certain information in relation thereto, and that such reply was received from him, his application to purchase the 1/4 and 1/4 of Section 21, would receive consideration. The letter referred to, to Mr. McErmid (on file 662500) had reference to his application to purchase the 1/4 of Section 20, in the same township, about which there was a doubt as to whether the latter 1/4 section had been applied for by him or one, W. McErmid, and it is only quite recently, through an enquiry made by the Deputy Commissioner of Public Works, at Regina, that it has been ascertained that Mr. Malcolm McErmid is the applicant for the 1/4 section last mentioned,

the

J. B. Harkin, Esq.,

Private Secretary to the Minister of the Interior.

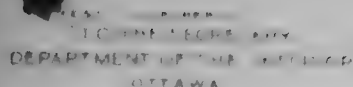

the name of D. McDermid having been given in error in some of the correspondence. I find that the lands in Township 14, Range 1, West 5th Meridian, in which township the 1/4 of Section 21 are situated, were withdrawn on the 6th March last, on account of timber, and the township plan of survey was also recalled at the same time (file 79527-17), and it does not therefore appear possible to entertain his application, but the matter will be submitted to the Commissioner for his decision.

The N.E. 1/4, Section 34, Township 14, Range 1, West 5th Meridian, which is the additional land he applies for, has not yet been surveyed, and such 1/4 section has been recommended by ~~the~~<sup>an</sup> Inspector to be leased to James Ford (TIN 460435).

Mr. McDermid has already been permitted to purchase, under the Irrigation System, the N.E. 1/4, Section 21, in the said Township 14, Range 1, West 5th Meridian, (file 50200).

The whole of Township 14, Range 1, West 5th Meridian, and all lands in this tract, on account of timber, <sup>the part of section 14</sup> but your application will, however, be considered for consideration, and as soon as a decision has been arrived at in the matter, you will be advised of its result. Memorandum:-

I beg to call your attention to Mr. Goodlove's memorandum of 4th January last re Mr. M. McBernid's application to purchase under the irrigation system the North  $\frac{1}{2}$  and South West  $\frac{1}{4}$  of Section 21 Township 14, Range 1 West of 5th.

In this connection please read my memorandum of the 10th instant to the Minister's private Secretary.

It will be observed that Mr. McBernid has also recently applied to purchase the North West  $\frac{1}{4}$ , 34, Township 13, Range 1, West of 5th, which has not yet been surveyed and which has been recommended by the Inspector to be leased to Mr. James Ford (T & R 462425) your decision in this case is also required.

As Mr. McBernid's application for the  $\frac{1}{2}$  of section of 21, Township 14, Range 1, West of 5th, was made before the Township was withdrawn from entry, I think his application should be favorably considered.

Sir,

Referring further to your letter of the 27th July last, I am directed to state that it has been decided, as your application for the S. 1/3 and the S. 1/4 of Section 21, Township 14, Range 1, West Fifth Meridian, was made before the Township was withdrawn from entry, to permit you to purchase these parcels upon your complying with the irrigation requirements of the North West Government. The price will be \$5.00 per acre, one-fourth down and the balance in three equal annual instalments with interest at 5% per annum, subject to a deduction of the cost of the irrigation works, but such deduction not in any case to bring the price below \$1.00 per acre. The sale of such land will, however, be subject to a condition that one-fourth of it being irrigated and no patent will be issued unless this has been done. If at the end of the period which may be granted to construct the irrigation works, it is found that the same have not been completed, the agreement to sell the land in connection with your irrigation scheme will be cancelled and any amount paid on account thereof will be forfeited to the Crown. A copy of this letter is being sent to the Deputy Commissioner of Public Works at Regina and he is being requested to furnish you with full particulars.

particulars as to the Territorial regulations to be complied with. The Agent of Dominion Lands at Calgary is also being advised of this decision.

With respect to the N.W. 1/4 of Section 34, Township 13, Range 1, East Fifth Meridian, which you have also made application to purchase, I am to say that this parcel cannot be included in the sale, as it is to be leased.

Mr. Harrison;

Dear Sir;

I just received

My father and myself have been

not so much as this on my brother

buying in them intending to  
dress them up for shelter and in  
fact they are content to the land,  
these men we believe are writing  
to the Department of the Interior  
Ottawa; expressing to our hurt  
and fear that they will by and  
come to our lands;  
now we are trying to do the very  
best we can and would ask the  
Department to - please with us in  
this matter, if necessary we are willing  
for anyone that will to give

to measure this timber; these  
people have said that they  
will cut every tree that is ten  
inches through. I am afraid our

be in return hail if you can  
if there is a permit in our  
home track, it has been working  
one, and if there has been a  
permit issued, though a mistake  
in some way or another, can it  
be recalled, and if these people  
are trying to run a bluff on  
us, can the Department send us  
some kind of protection;

DOMINION LANDS OFFICE,

Edmonton, Dec. 18th, 1904.

1904

Sir,-

I beg to enclose herewith a letter received from A. F. Ayers who is the homesteader of the N.R. 1-24-47-1-W-5-M and S. A. Ayers who is the homesteader of the S.R. 1-24-47-1-W-5-M for which they obtained entry on the 30th June, 1903. It now appears that the whole of Sec. 24-47-1-W-5-M is in Timber Berth No. 949 owned by Messrs Foulger & Rowlet. On looking up my township register it does not appear that the file number of Timber Berth No. 949 was put against all the land which it covered in the township book. As the township was not surveyed when the Berth was put up I presume the matter has been overlooked when the book was opened up. Would you kindly direct how I should advise these gentlemen in this matter.

---2.

East quarter of Sec. 2 by the Poitras family may, of course, be removed to the North West quarter of Sec. 1. It may be explained to Mr. Poitras that his squatter's claim to the South East of Sec. 2 cannot be entertained as he did not apply for it until a considerable time after the survey had been made, and the quarter-section not being mentioned in the declaration which he made on the 8th November, 1904, before the surveyor who sub-divided the Township. As the North half of Section 1 has been accepted by the Canadian Pacific Railway Company as part of their land grant it will be necessary to effect an exchange with the Company so that these quarter-sections may be made available for the Messrs Poitras.

Memorandum:-

I had to submit an application to cancel the entry of Robert Pulage for the South East 1/4 of Section 16, Township 17, Range 26, West Fourth Meridian.

Entry was made 18th of March 1944, and an application for inspection filed on the 9th of December 1944.

In view of his defence it was decided to protect Mr. Pulage's entry until the 1st of May 1945, but a further extension was refused.

The latest Inspector's report shows nothing has been done on the land in the way of residence or cultivation. There is a frame house worth \$15. The tenant is, apparently, living in North Dakota.

Respectfully submitted.

Sir:-

I have the honor to inform you that Mr. C. M. Rawlinson, has this day paid into this office the sum of \$160.00 being the first instalment on account of the North half of Section 30, Township 25, Range 2, West fifth Meridian, see your file 972304 in this connection. I beg to refer to your letter of the 8th of last May last advising this office that Mr. Rawlinson also desired to purchase the S. E. quarter of the same section, the S. E. quarter was homesteaded at the time but the homesteader has since abandoned, see your file 88034A, and Mr. P. W. Isaac of Samyslope the first and only applicant to homestead was given 30 days from the 15th inst ant within which to complete entry. Be good enough to say if Mr. Rawlinson's entry should take priority. Entry will not be granted until Head Office is heard from.

## Department of the Interior,

Ottawa, December 1<sup>st</sup>, 1905.

## Memorandum:

With reference to Mr. Goodeve's memorandum of the 18th September last relative to Mr. C.M. Rawlinson's application to purchase the whole of Section 30, Township 15, Range 2, West Fifth Meridian, I beg to say that the local Agent was duly instructed, in accordance with the decision, that Mr. Rawlinson might purchase the vacant portion of this section, the E. 1/2 thereof, at the valuation placed upon it by the Inspector, namely, \$2.00 per acre.

The Agent now draws attention to his letter to the fact that the E. 1/2 of the section in question was also included in Mr. Rawlinson's application, but could not be dealt with owing to the fact that it was held under homestead entry and points out that the homesteader was also claiming it. He reports further that Mr. J.W. Isaac, of Lunenburg, the first and only applicant to homestead was given twenty days from the 1st of the present month within which to complete entry, and asks whether Mr. Rawlinson's application should take priority.

The homesteader's declaration of interest in the land in question was enclosed with the Agent's letter of the 18th October last (File 3304-4) and the entry was cancelled on the 31st of that month. Mr. Rawlinson's application for the said land was received here on the 11th March last, that is, to say, some months before Mr. Isaac, according to the Agent's report, was advised that he might enter for the parcel.

*The N.D. suggests that Mr. Isaac should be given the right of purchase as at the time of his application*

to be outside my boundary when the  
lines were surveyed. I abandoned  
the place in 1885. Afterwards the C.P.R.  
sold the land to J. J. Fitzgerald without  
any reference to my claim, other than a  
notice that if I wished to purchase, I  
could do so at the price before stated.

In June 1886 I became associated with  
the Hon. W. L. Wilson, in the firm of Wilson & Co.  
on the Mount Royal lands near Calgary  
Alta. In Oct. 1890 I sold the property of  
the government as a part of the C.P.R.  
Calgary and was in fact in that capacity  
and have since.

In June 1890 I was in charge for a  
period of six months of the C.P.R. at  
and during that time I sold at 4¢  
my personal interest in the land on  
the Mount Royal lands and it is now in  
the hands of the C.P.R. and a part of the  
land is now in the hands of the C.P.R.

Calgary Alta  
Sept. 11<sup>th</sup> 1905

Notwithstanding the ruling of Mr. Parce in  
 in my case. the Government allowed sit-  
 tlers who had squatted on odd numbered  
 sections, previous to the land being sur-  
 veyed, their homesteads and gave the C.P.R.  
 other lands instead. If I had remained on the  
 land and stubbornly refused to submit to  
 the decision of the government, as I feared  
 by their land commissioner, I might  
 have, after a great deal of trouble, per-  
 mitted ~~and~~ the land department, more  
 my homestead as I did. I applied to  
 the C.P.R. land department at Winnipeg  
 and was informed that the price of the S.E.  
 of the land I was living on and wanted for a  
 homestead, was \$625 per acre and the S.W.  
 of which I intended for a preemption \$5.00  
 per acre. The C.P.R. were at that time selling  
 just as good and as favorably situated lands  
 where unoccupied, for \$250 and \$300 per acre  
 in Feb. 1883. I got a permit to cut timber,  
 which is here appended, I put the whole quantity  
 except firewood which the Govt. allowed to a  
 settler, on the place. I had a house, stable, shed,  
 corral and a fence around nearly the whole half  
 section, besides a roadway through the property  
 was fenced on both ends. I consider my im-  
 provements were worth fully \$1000. I had 10 acres  
 and cultivation. 3 acres of which were fenced.

To the

Honorable Frank Oliver  
Minister of the Interior Ottawa.

Sir

I have the honor to present the following  
petition and humbly request your favor-  
able consideration thereof.

In Jan. 1885. I bought the squatter's  
claim of one Frederick Annand (South half of  
Sec. 35. Tp. 23. Range 1 West of 5. M.) which he  
settled on in 1880. at the time I bought the  
land was not surveyed, and the C. P. R. not  
built through this part of the country.

I made that place my home until  
Jan. 1885. till July 1885. I was in actual  
possession on the place more than six months  
of each of the years 1883-4 and 5. I was in a quarry  
from it making a short visit to my home  
in the fall of 1883. and coming to the place  
in 1885. when I was employed as a surveyor  
for the government. When the land office  
was opened in Calgary in 1885. I was one of the  
first applicants for the land and was for  
the above mentioned land which I was then  
living on. I was told to wait till Mr. William  
Pearce, who was then member of the Land Board,  
arrived, who would consider my claim.  
When Mr. Pearce came Mr. James Kelly went  
with me to lay the case before him.  
Mr. Pearce refused to admit my right to the land  
and advised me to make the best terms I  
could with the C. P. R.

I enclose petition from E.N.Brown, Calgary. He wants patent for the part of 30-34-25-4, for reasons set forth in his petition. If there is precedent, and you consider the circumstances justifiable grant patent as requested.

MEMORANDUM:-

Referring to your memorandum of the 14th July, 1906 to Mr. Greenway, attached to ~~this~~ file 972319, I have communicated with Mr. E. N. Brown and also with the Canadian Pacific Railway Company respecting the claim on the corner to the South 1/2 Section 34, Township 23, Range 1, West Fifth Meridian.

The C.P.R. Land Commissioner gives the following quotation from the report of the Company's Examiner:-

"Frederick Annand claims the North 1/2 of claims of the South 1/2 on which there is a log house, but it is not stable.

There is about sixteen acres fenced and about seven acres broke. E. Nelson Brown claims the South 1/2 claims."

He also states that from the abstract of title filed in this office it appears that on the 14th January, 1904, Frederick Annand transferred his interest in this land to E. N. Brown and that on the 14th August, 1905, E. N. Brown transferred his interest to Mary C. Fitzgerald, from which it would appear that Mr. Brown parted with any interest which he may have had in the land. Mr. Dickinson adds that possibly Mr. William Pearce could throw further light on Mr. Brown's claim.

A letter has also been received from Mr. Brown

W. H. Carr, Esq.,

and

Deputy Minister of the Interior.
